FLOOR PLANS

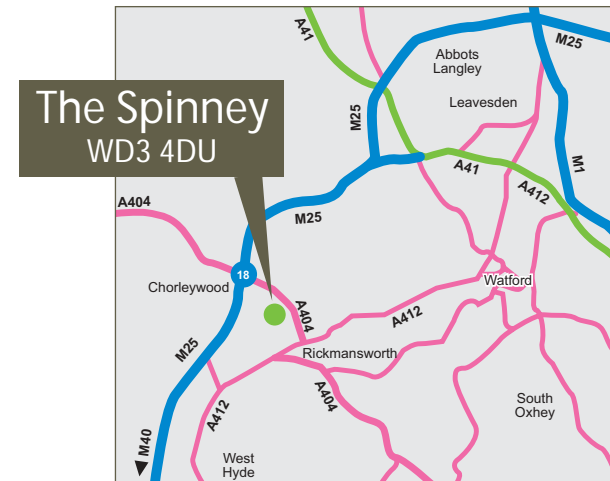

Rectory Homes has spared no expense to give the interior of The Spinney the opulence you would expect from such a grand home. The layout of the accommodation has been carefully considered by our architects and professional designers to create superb living spaces.

Rectory take pride in attention to detail, an example of which are the professionally fitted, purpose built wardrobe systems in the dressing room to the Master Suite and bespoke Bathrooms.

Rectory has an established reputation for selecting the very best sites throughout the Western Homes Counties and beyond and constructing individual homes of the highest quality. An architect is individually appointed for each scheme to design a development to complement each location.

The Owner and Chief Executive, Simon Vickers, and his team have many years experience in the house building and property industry. This experience is employed in ensuring every aspect, including design, specification, construction and after-sales service, are of the highest order so you can rest assured in your excellent choice to purchase a new Rectory home.

NOTE: The site plan is for illustration purposes only, is not a legal plan and is not intended to indicate specific landscaping. The artists impressions in this brochure have been created to give a general indication of the finished property. During the construction and planning application processes it may be necessary to make certain changes. Landscaping, ground levels, steps, retaining walls, planting and material colours are indicative only. Dimensions shown are maximum and are scaled from architects plans and may vary slightly in the course of construction. Please check with RectoryHomes if clarification is required.
